

To the FDA:

I send this letter as a consumer of **healthcare** services to register my concern and disapproval of the Memorandum of Understanding as published by the FDA on January 21, 1999.

The Memorandum of Understanding is a direct threat to **the** art of pharmacy compounding and is of concern to every consumer of **healthcare** services and products. The FDA is an agency of the U.S. Government that purports to be the "watchdog" for the consumer. However, as a **governmental** agency, the FDA also has a responsibility to be accountable to the people.

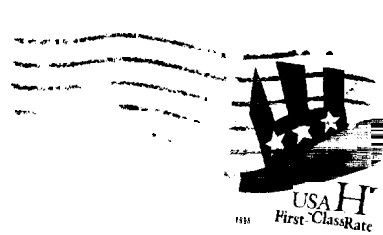

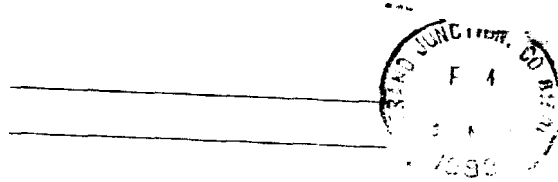

Please! these formulations are best for me & we should be allowed a choice!

The MOU must be amended!!! In its ~~present~~ form, the MOU severely restricts my rights as an individual to obtain the **healthcare** services and products from the provider of my choice. The MOU should be **amended** so that there are no restrictions to the delivery of a compounded medication prescribed for me, regardless of where I may live or may travel.
